

Food Stall Application

Sites are available in the town centre from 10am till 4pm (road closures will be in place at 8am). This is an excellent opportunity with around 10,000 people enjoying the day!

The Feilding Christmas Carnival & Parade is held wet or fine!!!

All food stalls will be on the large open quadrant in Manchester Square – the same space that the Farmers Market use every Friday. Please remember limited power connections are available.

Preference for food stalls will be given to our local community wanting to fundraise. Subject to the space being available, applications will be considered from commercial food stalls with preference based on variety and quality. Providing seating is something we would encourage.

The deadline to receive food stall applications is 15th November 2019. You will be notified if your application has been accepted and the fee is to be paid by 29th November, to keep your site.

Full details will be sent to you the week before the Carnival Day!

All food stalls must comply with Health Regulations-Commercial operators must attach food certificates, (see Manawatu District Council for details).

Vans, tents and caravan/trailers are permitted to sell your food, but surplus vehicles cannot park on site.

Shelter, tables and chairs are your own responsibility. We encourage you to bring small tables and chairs for your customers to sit on.

Each Site is a generous 3x3metre spaces. Please specify total number of sites required.
